DMS ACCESS & DATA USE PERMISISON

By providing consent, you will be required to do the following:

- **DMS System Access:** Provide ADMI access to request and review DMS Setups
- **Permission to Use Dealership Data:** Grant ADMI permission to perform analysis of, report on, and archive dealership data
- **Internet Access:** Use a PC with access to the Internet for web based interactive presentations.
- **Personnel Access:** Schedule time as needed with Parts, Service, Office, and Management Staff

Your data will be handled with the utmost confidentiality. If results of this study or program are published or presented, individual names and other personally identifiable information will not be used, except as are required to fulfill this program's Terms and Conditions.

If you have any questions, please contact the ADMI Support Center at 1-800-323-6352.
